## Fourteenth Sunday in Ordinary Time

Mark 6 : 1 - 6

The rejection of Jesus by his own village is a common experience of humanity. I remember even at the age of six when an Irish man or woman returns to their village and shows how successful they are as compared to those who remained in Ireland. That was a no no at the highest level of human behaviour. Bragging oneself against others is disapproved of and despicable.

*"We all long for love in our lives, yet we fear what love demands of us."*

### Pope Francis

*"Civilization requires energy, but energy must not destroy civilization."*

### Catechesis: Lay Priesthood

It is long established in the Church though not well defined. All baptized Catholics share in Christ ministry, to use their talents and gifts to bring Christ into the world. The ordained priesthood deals mainly with the sacraments, the lay priesthood deals where they work and live, promoting holiness, catechesis, evangelization, lead organizations, be in choirs, engaged in charitable works, social issues. Unfortunately only about 3.5% of parishioners are active in the parish. Yet the Lay Priesthood is not second class servants. They are the heart, hands, feet and face of Christ in the world.

### Vatican Trivia

How big is St. Peter's Basilica? 430,000 square feet; 500 columns; 430 large statues; 40 separate altars; 10 domes—Largest church in Christianity.

### Church History

1899 Pope Leo XIII consecrated the world to the Sacred Heart of Jesus. Many homes in Europe have the Sacred Heart in their kitchens, a picture of the Sacred Heart with a red lighted bulb.

### Holy Land

Everyone wishes to see peace in the Holy Land. Its continual violence is painful to watch. It's long overdue that two intelligent peoples give up a little, find solutions that bring lasting peace. Their citizens deserve nothing less. Who wants to live with neighbors in fear. Who allows their children open to being slaughtered. Who wants economic destruction, homes destroyed, thousands injured. Both sides have the ability to unite—it is time they did it.

### Sport

Why is a jockey still whipping his horse when he is in last place and cannot win? (I wouldn't pay 1 cent for this information, but I would still like to know.)

### Parish Story

A grandmother held a house celebration for her grandson who graduated from Stanford. One young boy who thought the party was so good said to the elderly lady, *"I am looking forward to your wake because that will be an even greater party!"*

### Parish News

The parish begins re-organizing its organizations beginning with ushers and Eucharistic ministers. We are greatly in need of help here. I am a firm believer parish organizations through its volunteers remain strong and relevant. Its my job to tell you what our needs are, not to expect that I will be doing it.

Yours in Fraternity,  
Fr. Cyril O'Sullivan
