Fourth Sunday in Ordinary Time

Luke 4 : 21 - 30

Nazareth is built on high hills, rising to 1,150 feet. Its name Nasar, meaning watch or guard. It's well intention as Nazareth overlooks the entire Jezreel Valley, as well as Mount Carmel and Mount Tabot. So this hill observes much of Israel's entrance toward the south. Here Joseph and Mary decided to raise the family.

Catholic Ministries

Ministries that provide the basic necessities for people struggling (food, clothing, shelter) reveal the most visible signs of God's love in the world. These poor come for health services, showers, haircuts, shoes, diapers, etc. But they also come for peace, dignity and that God loves them too. These ministries are the stuff of faith, i.e. St. Vincent de Paul. These are some of the holiest space in the Church.

The Synod

Pope Francis encourages the faithful to listen, participate, and seek communion as we begin the process. It means we will be walking together, listening and discerning with whom we meet. Francis prays we have the courage to begin this work.
