Sixth Sunday of Easter

John 14 : 23 - 29

The final gift which Jesus gave his Apostles is Peace, a spiritual Peace this world cannot give us. Or more to the point, this world does not have this Peace that it can give it to us. If we live by Christ's word, we will receive this Peace he spoke about.

New Easter banners at St. Isabella

Pope Francis

The cross does not speak to us about defeat and failure; paradoxically, it speaks to us about a death which is life.

Vatican Trivia

The Pope with the shortest reign? Pope Stephen II who died four days after his election to Pope, 752 A.D.

Types of Prayers

Night Prayers is a great custom to end the day. It is basically a thanksgiving prayer for the ending of another day. All of its graces, opportunities, challenges, and gifts given to me that day by a loving God. Life comes with joys and sorrows, the good and the ugly; but everyday is a blessing given to us by God.

Catechesis

Why cannot the Church easily rectify an invalid Baptism because the priest used the wrong words.

The Church cannot validate what never happened. The words, I baptize you in the name of the Father, the Son, and the Holy Spirit is what Baptism is. And of the Son, and of the Holy Spirit.

Young Catholics (Part 2 of 2)

For some young Catholics they have disconnected from the institutional Church. It is as if they do not need one. Young people are looking for trusted adult guides who are in their lives guiding them rather than programs and classes. Two-thirds of young Catholics care about LGBT issues, whether we like this or not. Social Justice is important to them. Today, 50% of young Catholics feel isolated from the Church whether that's their fault or the institutions' fault, probably both. The sad fact is each don't know how to connect to each other.

Fr. Dingberg's Scholarship

The scholarship in honor of our founding pastor, Fr. Edward Dingberg, helps selected 8th grade graduates from our school and PSR attending Marin Catholic High School . You generosity helps our students continue their Catholic education. You are welcome to bring your donation anytime to the school or rectory over the next few weeks.

Crisis of the Common Good (Part 2 of 2)

Churches exist as go-betweens, between the common good versus the individuals. Individuals have a place to be players within a larger community. The parish is an obvious example, how we care and look out for each other. Humanity has a great need to develop a shared sense for the common good. The community known as the Body of Christ is precisely this in its spiritual apparitions.

Parish News

Welcome Archbishop Cordileone to St. Isabella last Friday administered the Sacrament of Confirmation to St. Isabella's School and PSR students.

Yours in Fraternity,
Fr. Cyril O'Sullivan
